Dear Valued Customer,

We're writing to give you an early heads-up about our operational schedule for November to help you plan your upcoming orders and avoid any potential delays.

Upcoming Shipping Pause for Annual Inventory

Our Lumberton, NJ facility will be conducting its annual inventory count this November. To ensure accuracy, all shipping operations will be temporarily paused during this time.

Please note the following schedule:

Wednesday, November 12, 2025	Regular Operating Hours
Thursday, November 13, 2025	Inventory, Closed for shipping
Friday, November 14, 2025	Inventory, Closed for shipping
Monday, November 17, 2025	Inventory, Closed for shipping
Tuesday, November 18, 2025	Regular Operating Hours

An Update on Backorders

We also want to acknowledge the current backorder situation affecting select products. We are taking active steps to improve our supply and are working hard to restore our normal inventory levels by the end of the year.

Planning Ahead

While we don't anticipate these closures will cause significant delays, we highly recommend placing orders for late November or December as early as possible. Early ordering greatly supports our planning and helps ensure delivery before the shipping pause. Please note that extended lead times may still apply to certain items.

In our next communication reminder, we will also include the Holiday Schedule for 2025 to further assist with your planning.

We appreciate your continued partnership and thank you for your understanding. For any questions or to discuss your ordering plans, please don't hesitate to contact your Regional Sales Manager.

Thank you,

Tracy Beeby
