**AMERICA'S
MOST TRUSTED®**

Faucet Brand

2016-2025

WHEN CONTEMPORARY INDUSTRIAL MEETS MODERN LUXURY

The new Cambium bathroom suite boasts a contemporary industrial aesthetic, inspired by active urban lifestyles and playful movements. Featuring a fusion of lively, bent metal forms and fluted textures, Cambium's unique details are present in a full collection of products, such as faucets, shower fixtures, tub fillers, lighting and accessories. This suite pairs these elevated motifs with a balance of circular and squared shapes that create a bold style statement in any space. With various finishes available, including the new mixed finish of Polished and Brushed Nickel — an elegant, metallic finish that not only brings sophistication and refinement to a space, but also translates to classic and timeless environments — this suite appeals to many design preferences.

Moen® received the highest numerical score in the proprietary Lifestory Research 2016–2025 America's Most Trusted® Faucet studies. Study results are based on experiences and perceptions of people surveyed. Your experiences may vary. Visit lifestoryresearch.com.
