- Push2Open:** Perfect for handleless kitchens; door opens with a light press.
- MasterFresh System:** Maintains ideal temperature and humidity so food stays fresh up to 3 times longer.
- BrilliantLight:** High-quality LED strips provide bright, even illumination inside.
- WiFiConn@ct (Miele@home):** Smart connectivity for remote monitoring and control via the Miele app.
- MasterSensor:** Color touch display for intuitive control.
- NoFrost:** Automatic defrosting eliminates manual defrosting.
- DynaCool:** Fan ensures uniform temperature throughout the fridge.
- DuplexCool Pro:** Separate cooling circuits for fridge and freezer prevent odor transfer and drying out.
- IceMaker:** Produces up to 150 ice cubes per day, with mains water connection.
- Active AirClean Filter:** Combines active charcoal and chitosan to eliminate odors.
- MaxLoad Hinges:** Extremely strong hinges for heavy, fully loaded doors.
- Overflow Protection:** Glass shelves with aluminum trim to contain spills.
- Sabbath Mode:** Yes.
