Accent Door Accessory Availability

The Sub-Zero Group, Inc. has announced that, following the launch of the new Wolf Professional Induction Range, they now have new Accent Door Accessories available. Compatible with both Professional Induction Range and Dual Fuel products, these accessory kits are intended for installation after the unit is installed in the home by a certified installer or service professional.

The accessories are available in black and white finishes and are compatible with both the new '51 Series' Professional Induction Ranges and the '50 Series' Dual Fuel Ranges. The kits are offered in door sizes of 18", 30", and 36", with each kit containing a single door. For double door units, the customer will need to order two kits. A product matrix and the MSRP details are below:

New Model Number	Model Description	MSRP
831730	18" Black Door Kit	\$500
831728	30" Black Door Kit	\$800
831729	36" Black Door Kit	\$1,000

New Model Number	Model Description	MSRP
831733	18" White Door Kit	\$500
831731	30" White Door Kit	\$800
831732	36" White Door Kit	\$1,000

These accessory kits offer our customers a standardized method for achieving color door accents for both Induction Ranges and Dual Fuel models. Additionally, the door skin kits will be available at the regional distribution centers, eliminating the need for extra lead time.

ACCESSORY KIT AVAILABILITY

- The sales accessory kits are now orderable in Commerce Cloud, Tuesday, November 11, 2025.

DISCONTINUATION

- With the introduction of these new accent door accessory kits, the existing black and white Dual Fuel model options are discontinued. These models will be removed from Commerce Cloud effective, **Tuesday, November 11, 2025**.
- All open orders for black and white Dual Fuel models will be honored.
