Dishwashers: Warranty Changes—Residential Use

The Sub-Zero Group just announced upcoming changes to the residential use warranty. Cove remains an award-winning, best-in-class dishwasher with a 20-year life expectancy—designed, tested, and built to the same uncompromising standards.

Effective April 1, 2026, all Cove products will be supplied (manufactured) with an updated warranty for residential use.

What's changing -

- Full Two-Year Warranty
- Limited Five-Year Parts Warranty:
 - Cove Appliance will repair or replace the following parts that prove to be defective in materials or workmanship: electronic control boards, diverter valve, pumps, and racks.

Please contact your Territory Sales Manager if you have any questions regarding the information provided in this ArrowGram.
