

What is Closiq?

Closiq is a refined solution for **compact bathrooms**, delivering space-saving function without compromising style.

Because the door opens **inward**, there is no exterior clearance required. This makes it ideal for tight floor plans or layouts where a vanity or toilet sits close to the shower.

Configuration overview

- **Cube** = door panel + return panel
- **2-Sided** = fixed panel + door panel + return panel

Finishes & Glass

Closiq is available in clear or smoked glass.

Important: Smoked glass is offered **only** in Gun Metal and Matte Black.

Available combinations:

- Chrome / Clear
- Brushed Nickel / Clear
- Matte Black / Clear
- Matte Black / Smoked Grey
- Gun Metal / Clear
- Gun Metal / Smoked Grey
