SEAMLESS SOLUTIONS FOR THE
KITCHEN WATER PLACE

BLANCO UNIT – FAUCETS, SINKS
AND WASTE SYSTEMS

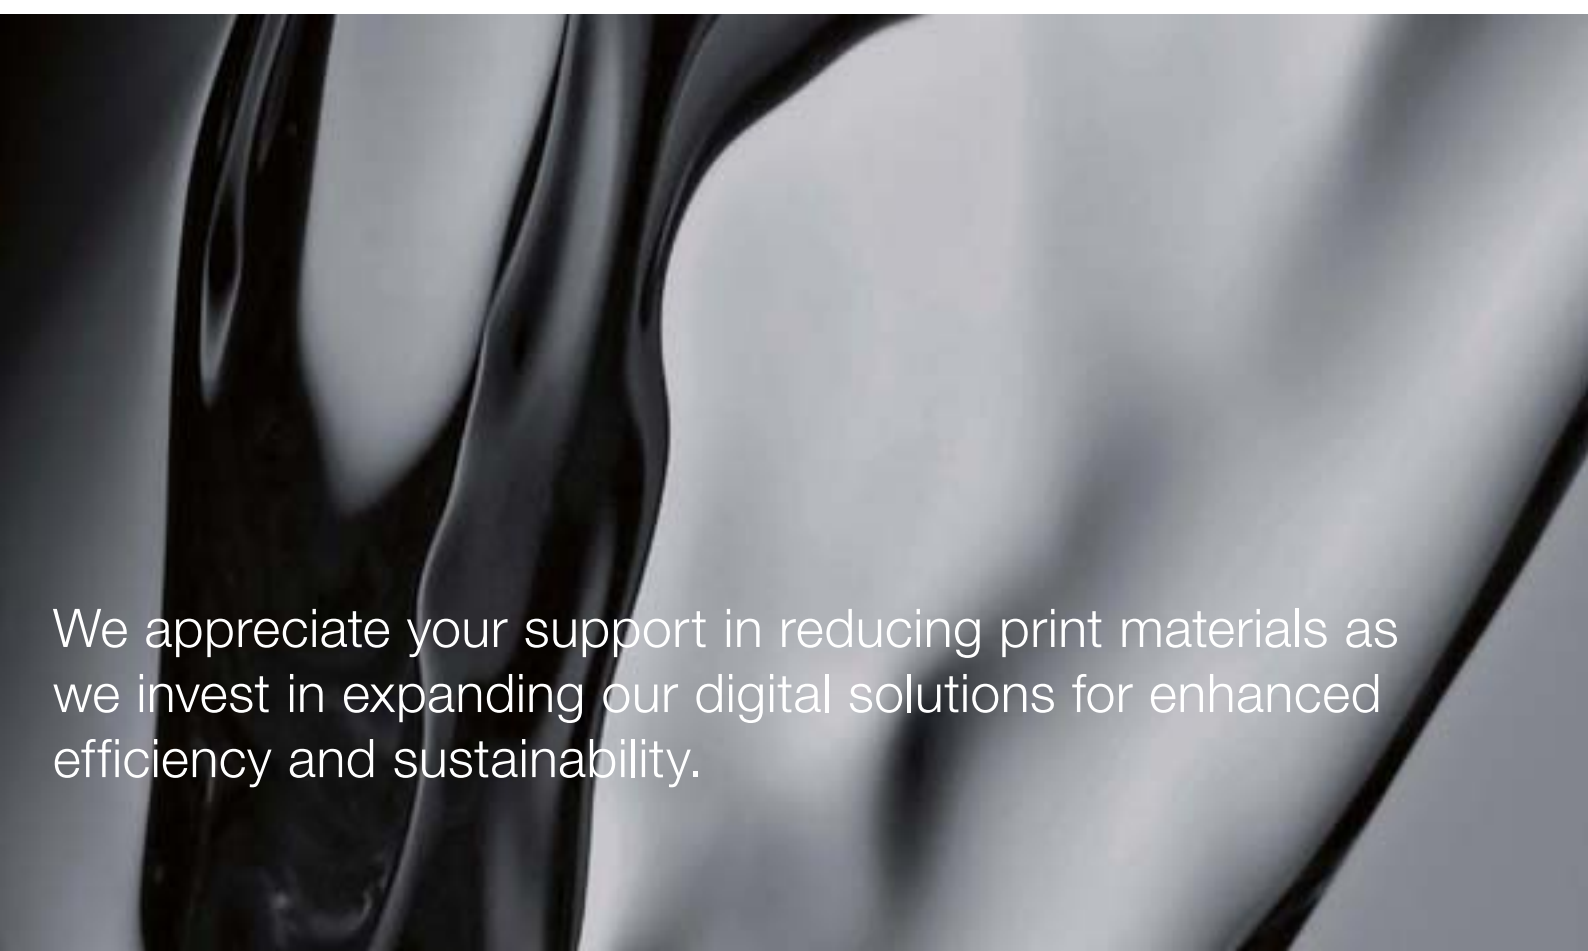

HOW TO USE THIS GUIDE

The **2026 UNIT Workbook Addendum** serves as a streamlined companion to our comprehensive 2025 UNIT Workbook. Together, these resources provide a complete view of our product portfolio. We encourage you to retain your 2025 UNIT Workbook for seamless integration with this guide.

HERE'S HOW TO MAXIMIZE ITS UTILITY:

- **NEW PRODUCT INFORMATION:** Explore detailed product pages for all new 2026 products in addition to our new INTEOS workstation family.
- **NAVIGATE WITH QUICKFINDER:** Easily browse our entire 2026 product portfolio, including model names, pricing, basic dimensions, and compatible grids.
- **CROSS-REFERENCE FOR DETAILS:** Use the page numbers in the 2026 Quickfinder to locate detailed product information in your 2025 UNIT Workbook.
- **EXPLORE IN-DEPTH SPECIFICATIONS:** Refer to the 2025 UNIT Workbook for detailed SKUs, product specifications, and additional compatible accessories.

We appreciate your support in reducing print materials as we invest in expanding our digital solutions for enhanced efficiency and sustainability.

THE BLANCO UNIT

FAUCETS

Available in a variety of designs and colors, our high-quality faucets enhance the overall kitchen design.

ACCESSORIES

With smart accessories, UNITS can be better adapted to individual needs.

SINKS

The sink forms the basis of the BLANCO UNIT. Choose from a variety of shapes, styles and materials.

WATER FILTERS

Our water filters provide fresh, better tasting water directly from the faucet.

FOOD WASTE DISPOSER

Makes organic kitchen waste disappear without a trace.

ORGANIZATION SOLUTIONS

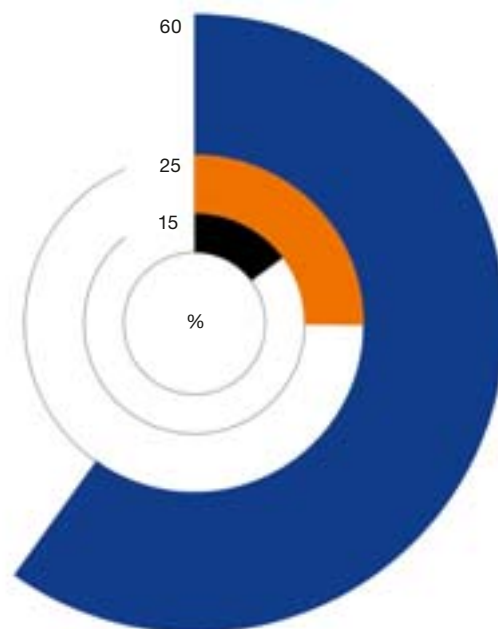

Our modular under-sink storage solutions maximize cabinet space while keeping sink essentials organized and within reach.

DID YOU KNOW

the water place is the most used area in the kitchen?
With so much time spent at the kitchen water place, its critical that this space is fully optimized for maximum efficiency.

60% kitchen water place
25% stove
15% other

TRANSFORM YOUR KITCHEN WITH INTEOS

EXPERIENCE CULINARY BLISS AND CLEAN, UNCLUTTERED DESIGN

At the heart of the BLANCO UNIT, the INTEOS workstation sink transforms your kitchen workflow. With thoughtfully curated accessories, smart storage solutions, and perfectly paired faucets, it streamlines prep, cooking, and serving to simplify daily routines and create a beautifully organized space. The result is a kitchen water place that inspires joy and creativity.

STREAMLINED SPACE

The first granite composite sink of its size, the 45" INTEOS workstation sink delivers generous, uninterrupted space in 8 SILGRANIT® colors. Combining function with innovation, it redefines what's possible at the center of the kitchen.

STACK & STORE

Thoughtfully curated accessories stack seamlessly for a customized workflow, then store neatly in the sleek INTEOS Organizer Bag to keep the kitchen beautifully uncluttered.

ELEVATED PERFORMANCE

Award-winning INTEOS workstation sink and BLANCOCULINA II faucet combine striking design with professional precision, elevating every kitchen moment.

EFFORTLESS FLOW

Integrated food waste disposal and water filtration ensures a smooth, seamless workflow from start to finish.

reddot winner 2025

WITH CURATED, CUSTOMIZABLE ACCESSORIES THAT ELEVATE EVERY KITCHEN MOMENT

Heavy-duty, dishwasher-safe dish rack turns your sink into a versatile drying station.

IN LOOVE WITH THE EXTRAORDINARY. THE BLANCO UNIT WITH LUNEOO & OOVALON.

Born from our 100-year legacy, the **LUNEOO** and **OOVALON** embody unity through sculptural elegance. Where every curve and contour creates a moment of artistry and pure design expression. Let your kitchen become your canvas.

KEEPING IT 100 LUNEOO & OOVALON

ILLUMINATE YOUR NEXT DESIGN WITH LUNEOO

Inspired by lighting design, the LUNEOO faucet embodies a sculptural, cylindrical form. Featuring a removeable, magnetic, dual-spray head, the LUNEOO turns everyday function into a design experience. A separate control dial can be mounted anywhere around the sink – putting precision and comfort right where you need it. With a smooth, tactile feel, the dial delivers effortless, accurate water control. Strong, yet refined, the LUNEOO fuses technology and design in one striking centerpiece.

BLANCO LUNEOO, STAINLESS STEEL, SATIN GOLD, SATIN PLATINUM, SATIN DARK STEEL

BLANCO OOVALON 30, CLOUD WHITE W/ SATIN DARK STEEL, MYSTIC BLACK W/ SATIN DARK STEEL, CLOUD WHITE W/ SATIN GOLD, MYSTIC BLACK W/ STAINLESS STEEL

OOVALON: A NEW SHAPE OF SOPHISTICATION

The new OOVALON sink captivates with its striking oval design and soft curves. Crafted from VELGRANIT, BLANCO's latest material innovation, OOVALON offers a velvety feel reminiscent of sea-polished stone. Advanced precision engineering with a smooth, seamless workflow - from start to finish.

Available in two rich, matte hues – Cloud White and Mystic Black – this distinct, oval-shaped VELGRANIT sink was designed to make a statement. At the bottom of the sink is an oversized CapFlow drain cover, which conceals a new drain design called INFINO. The INFINO drain is conveniently operated by a minimalist countertop button and the OOVALON custom-fitted grid perfectly matches LUNEOO finishes, bringing a beautifully coordinated BLANCO UNIT design.

THE FUTURE IS FILTERED.

Our water filters and filter-ready faucets transform tap water into pure enjoyment. Fresh from the tap and available at any time.

FILTER-READY FAUCETS

Add cold, filtered water right at the kitchen sink with our range of filter-ready faucets. Consider our two-in-one CATRIS Flexo Filter designed with a separate filtered water spout and dial.

Prefer a separate beverage faucet? Both BLANCOCULINA II and ALTA II collections offer beverage faucet options that coordinate with the main kitchen faucet.

FILTRATION OPTIONS

Filtered water right where you need it most. BLANCO filters perfectly pair with our filter-ready faucets and sit below the sink and out of sight.

Delivering fresh, better tasting water while removing over 50 contaminants and unwanted particles, both filter options provide safe, clean water. The Soft L softens and filters, while the Microplastic S filters and removes microplastic particles.

WATER IN ALL ITS GLORY. OPTIONS FOR EVERY TASTE.

WATER SAVING:

All BLANCO faucets are available with a 1.5 GPM flow rate, providing water-saving benefits while still delivering strong water performance.

BEST-IN-CLASS:

BLANCO faucets are made of solid brass construction, with pressure resistant ceramic cartridges that are smooth in operation.

CONVENIENTLY CLEAN:

Many faucets include patented silicone nozzles – simply rub the sprayhead with your fingertip to prevent buildup from limescale deposits.

EASY TO INSTALL:

All faucets are equipped with color-coded hot and cold supply lines. New BLANCOlock installation nut is available on ALTA II and BLANCOCULINA II, providing greater faucet stability and quicker installation.

INNOVATIVE IDEAS.

TWO SENSORS - DOUBLE THE EASE:

With the BLANCOCULINA II and Mini Sensor faucets, experience a touchless faucet with dual-sensor technology.

HAND WASHING SENSOR:

Wave goodbye to messy fingerprints on the faucet thanks to the infrared motion sensor. A simple wave turns the faucet on and off, and it automatically shuts off in 90 sec.

POT-FILLING SENSOR:

The intuitive controls extend to filling pots with a sensor underneath the semi-pro's arm. The sensor activates when it detects an object and water starts to flow. As soon as the pot or vase is removed from the sensor area, the valves close.

DIALED INTO DETAILS:

Designed with separate water spouts, the CATRIS Flexo Filter faucet ensures no cross-contamination between filtered and tap water. Use the left dial to access filtered drinking water.

ELECTRONIC ELEGANCE:

The new LUNEEO faucet is controlled by an electronic control dial. Offering smooth, precise and sophisticated water volume and temperature control.

GRANITE COMPOSITE: THE PINNACLE OF MATERIAL SCIENCE.

OUR SILGRANIT AND NEW VELGRANIT MATERIALS OPEN UNPRECEDENTED OPTIONS FOR KITCHEN WATER PLACE DESIGN.

VELGRANIT CLOUD WHITE

Rich Timeless Shades
Artfully crafted by BLANCO, Mystic Black and Cloud White are smooth and luxurious.

Velvety Smooth, Incredibly Strong
Velgranit contains a higher level of granite resulting in a smooth, silky feel and rock-solid resilience.

DELIGHTS WITH EVERY TOUCH: VELGRANIT.

Introducing our latest material innovation: Velgranit. Developed and patented by BLANCO, Velgranit embodies the sophistication of stone smoothed by the tides. Inspired by the word "velvet," it offers an unparalleled smooth, velvety texture. Its fine granite sand composition enables exceptional design versatility, allowing for the creation of distinctive shapes, angles and contours - pushing boundaries and affirming our commitment to design excellence.

SILGRANIT: TIMELESS COLORS AND TRUSTED PERFORMANCE.

For decades, Silgranit has been a trusted choice for kitchens. Available in a versatile range of neutral tones - Silgranit effortlessly complements modern interiors with its natural, refined aesthetic. First developed by BLANCO at the turn of the millennium, Silgranit has been continuously refined at BLANCO LABORATORIES GERMANY, earning numerous awards for its outstanding quality and innovation.

SILGRANIT VOLCANO GRAY

Eight Unique colours
Developed by BLANCO and carefully selected to complement the latest kitchen design trends.

STAINLESS STEEL: A TIMELESS CLASSIC.

As a pioneer in design, material development and production, **BLANCO** brings the material of choice for professional chefs directly to your kitchen. **BLANCO** stainless steel comes with the **BLANCO** Quality Promise, ensuring resistance to corrosion, heat, acid, and UV light. We also ensure sustainability at every stage of the lifecycle. Our stainless steel sinks are fully recyclable and are crafted from 90% recycled material.

WORKS IN ANY KITCHEN

Stainless steel has a timeless, classic look and neutral color scheme.

ROBUST AND DURABLE

Due to its corrosion resistance, ease of maintenance, and heat and acid resistance, your **BLANCO** stainless steel sink will remain beautiful for years to come.

BUILT TO LAST

Perfect by **BLANCO** since 1951, our sinks are made from superior quality stainless steel with 18/10 chrome nickel content - maintaining their brilliance and value for decades.

TOUGH STUFF

Resistant to water stains, calcium deposits, rust, and heat, its non-porous surface is resilient and easy to maintain.

WHITE

THE CHARM & BEAUTY OF BLANCO CERAMIC.

Feel a direct connection to nature with **BLANCO** ceramic sinks. Crafted from natural clay and fired at over 1200°C in up to 20-hour firing cycles, this traditional sink material has been reimagined with modern details. Paired with coordinating accessories, our ceramic sinks transform your water place into a charming and functional work zone.

SINK AND FAUCET CARE

How to Clean SILGRANIT and VELGRANIT

Daily cleaning: to clean marks and everyday traces of use from your sink, all you need is a sponge, mild dish soap or baking soda and water:

- Moisten the sponge under running water
- Add a small amount of dish soap or baking soda onto the soft side of the sponge
- With the soft side of the sponge, wipe in small, circular movements
- Rinse your sink with clean water and dry it with a microfiber cloth

Weekly cleaning: Limescale is a common challenge for Silgranit and Velgranit sinks. Did you know that most stains and discoloration on a sink are a result of food particles trapped in limescale deposits on the surface? When you remove limescale, you also remove stubborn stains. We recommend removing limescale before starting any deep cleaning process. BLANCOCLEAN Daily+ for Silgranit or any mild acid-based cleaners (like lemon or vinegar) will remove limescale.

- Pour BLANCOCLEAN Daily+ on the sink area to be cleaned
- Leave for 1-2 minutes to take effect
- Wipe with a wet cloth or soft sponge
- Rinse the surface with water and dry with a microfiber cloth

Deep cleaning: once or twice a year we recommend to deep clean your sink with a mild liquid/gel laundry detergent:

- Close the sink drain
- Distribute the liquid/gel laundry detergent evenly onto the sink surface
- Fill the sink with hot water (heated up to 60°C / 140°F)
- Leave it to work at least 2 hours or ideally overnight
- Drain the solution and rinse the sink thoroughly with water
- Dry with a microfiber cloth

Want more tips on how to remove limescale, metal abrasions, and keep your white sink looking white? Visit our website at blanco.com/sgcare

SINK AND FAUCET CARE

How to Clean Stainless Steel

Daily cleaning: stainless steel surfaces are best cleaned immediately after use. This helps prevent limescale.

The process is quite simple:

- Squeeze some dish soap onto the soft side of a sponge
- Wipe the stainless steel surface in the direction of brushed finish
- Rinse with clean water and dry with a microfiber cloth

Weekly cleaning: BLANCOCLEAN Daily+ for stainless steel is a gentle formula that provides extra care to reduce limescale and soap scum buildup. Regular use is recommended to extend the life of your BLANCO sink.

- Pour BLANCOCLEAN Daily+ directly onto the sink
- Let sit for 1-2 minutes to take effect
- Wearing a glove wipe with a wet cloth or soft sponge
- Rinse the surface thoroughly and dry with a microfiber cloth

Avoid these cleaning mistakes:

- Do not use aggressive cleaning agents, abrasive cleaners or bleach containing hypochlorite
- Do not use cleaning baths for silver
- Do not use prickly brushes or the scratchy side of sponges (especially pot scouring pads)
- Never use steel wool for cleaning

Aggressive cleaners and brushes can cause scratches and permanently damage the surface of your stainless steel sink.

Learn more cleaning tips for stainless steel by visiting our website: blanco.com/sscare

How to Clean Faucets

Daily maintenance: When turning off your faucet with wet hands, you almost always leave drops of water on it. These dry and leave limescale behind. Visible limescale can form quickly, particularly in regions that have hard water. If you have hard water, you should dry the surface of your faucet with a microfiber cloth after each use. This will allow you to extend the intervals between regular cleanings.

Regular cleaning: If limescale has formed on your faucet, treat this with a mild, organic acid, e.g., lemon or vinegar.

Important: before applying the substance, check whether your surfaces are resistant to acids. To remove limescale:

- Apply the cleaning agent to the soft side of a sponge and wipe the faucet down thoroughly
- Be sure not to leave acid-based cleaner on for longer than indicated on the package instructions
- Avoid lengthy, vigorous scrubbing with the rough side of a sponge, this can leave scratches
- Rinse the faucet with clean water and dry with a microfiber cloth

Have you ever used a dirt filter? Or cleaned an aerator? Visit our website to learn more: blanco.com/faucetcare

Tackle Limescale with BLANCOCLEAN

Limescale is a daily challenge for sinks. Did you know that most stains and discoloration on a sink are a result of food particles trapped in limescale deposits on the surface? When you remove limescale on a regular basis, you also remove the likelihood of stubborn stains in your sink. Tackle limescale deposits quickly and easily with the help of our BLANCOCLEAN Daily+ cleaners, available in formulations for both stainless steel, SILGRANIT and VELGRANIT.

RETURNED GOODS AUTHORIZATION

RGA Process For Newly Installed Products

- Please note that our policies, procedures, and contact information regarding ALL returns has changed.
- All returns regardless of product and/or part must be accompanied by a Return Goods Authorization Number (RGA) issued by BLANCO America.
- **BE ADVISED that our Returned Goods Authorization (RGA) system is for NEWLY INSTALLED PRODUCTS** found to have a concern or Unused products only and are now classified into two separate types with specific processes and requirements noted below. (1) Quality concerns and shipping damage and (2) All Other RGA's All items must be returned in their original carton and in saleable condition.
- Product must be listed in current price book.
- Product must not be altered (i.e. faucet hole drills).
- **IMPORTANT NOTE: All Return Authorizations will expire 30 days after issue.** Return Authorized products must be received within 30 days or credit will be denied. Credit will also be denied for return shipments that are not accompanied with a pre-approved Return Authorization.

Damaged or Defective RGA's

1. RGA requests for uninstalled damaged or defective products must be submitted through our online form within 90 days of purchase. Email cc.us@blanco.com with any questions regarding an RGA claim.
2. **RGA requests must include:** (A) reason for request, (B) the BLANCO Model Number, (C) Purchase Order Number, (D) clear photo of the area in question on your product, and (E) a full view of the entire product photo. SILGRANIT® RGA requests require an additional photo of the molding label which can be found on the bottom of the sink.
3. DAMAGED or DEFECTIVE RGAs must be approved only by BLANCO's Customer Care Department with requests submitted via our online form..
4. BLANCO will determine if the product must be returned. Disposition granted as "Authorization to Destroy on Site" via approved RGA will result in immediate credit. Disposition granted as "On Site Review" requires the product be returned back to BLANCO in order to proceed with evaluation of the request.
5. Once approved by BLANCO for physical return, you will receive a prepaid UPS shipment label. Apply this to the carefully packaged product. The Returns Authorization MUST BE INCLUDED with the return package.
6. Call UPS for a pickup at 1-800-PICK-UPS (1-800-742-5877) or drop off at a UPS shipping location.
7. **IMPORTANT NOTE: All Return Authorizations will expire 30 days after issue.** Return Authorized products must be received within 30 days or credit will be denied. Credit will also be denied for return shipments that are not accompanied with a pre-approved Return Authorization.

All Other RGA's

1. RGA requests for unused, uninstalled, NON-damaged sellable products must be submitted through our online form. Email cc.us@blanco.com with any questions regarding an RGA claim.
2. **RGA requests must include:** (A) reason for request, (B) the BLANCO® Model Number, (C) Purchase Order Number.
3. 25% restocking fee applies to returns. All returns must be made by freight prepaid by sender and the sender must assume all responsibility for shipping damages that may occur. If a product is received damaged, there will be no credit issued. BLANCO America Inc. reserves the right to limit and or refuse any returns.
4. **IMPORTANT NOTE: All Return Authorizations will expire 30 days after issue.** Return Authorized products must be received within 30 days or credit will be denied. Credit will also be denied for return shipments that are not accompanied with a pre-approved Return Authorization.

(Extension 3)

Warranty Exclusions and Other Terms

See the attached additional terms.

ADDITIONAL LEGAL TERMS

BLANCO shall not be liable in case of: (A) improper installation or modification, damages resulting from abuse, such as heavy impact or dropped objects, improper care or maintenance, improper applications (such as exposure to corrosive chemicals, photographic solutions, etc.), and any modifications made to the product after it left BLANCO premises; (B) wear and tear, including chips, scratches and stains that can occur under normal use; or (C) loss or damage to any person or property whatsoever resulting from a defective product.

All transportation costs to and from the point of purchase, labor, removal and reinstallation will be the responsibility of the purchaser.

For greater clarity, accessories that accompany the sink (strainers, waste fittings, waste chutes etc.) are under separate product-specific warranties.

TO THE EXTENT NOT PROHIBITED BY LAW, NO OTHER WARRANTY, WHETHER EXPRESS, IMPLIED, OR STATUTORY, INCLUDING ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE SHALL BE DEEMED TO EXIST IN CONNECTION WITH ANY OF THE GOODS OR SERVICES SUPPLIED HEREUNDER, AND ALL IMPLIED WARRANTIES, INCLUDING ANY IMPLIED WARRANTIES FOR A PERIOD GREATER THAN THE WARRANTY PERIOD CONTAINED IN BLANCO'S LIMITED WARRANTY, ARE HEREBY EXCLUDED. BLANCO SHALL NOT BE LIABLE FOR ANY INDIRECT, INCIDENTAL, SPECIAL OR CONSEQUENTIAL DAMAGES IN ANY WAY RELATED TO THE GOODS OR SERVICES SUPPLIED HEREUNDER. THE REMEDIES DESCRIBED IN THIS WARRANTY ARE YOUR SOLE AND EXCLUSIVE REMEDIES AND OUR ENTIRE LIABILITY FOR ANY BREACH OF THIS WARRANTY.

THIS WARRANTY GIVES YOU SPECIFIC LEGAL RIGHTS, AND YOU MAY ALSO HAVE OTHER RIGHTS WHICH VARY FROM JURISDICTION TO JURISDICTION. SOME PROVINCES, STATES OR OTHER JURISDICTIONS DO NOT ALLOW THE EXCLUSION OR LIMITATION OF IMPLIED WARRANTIES OR OF INCIDENTAL OR CONSEQUENTIAL DAMAGES, SO THE ABOVE LIMITATIONS OR EXCLUSIONS RELATING TO IMPLIED WARRANTIES, OR INCIDENTAL OR CONSEQUENTIAL DAMAGES MAY NOT APPLY TO YOU.

This warranty applies only to the products sold and installed in Canada and the U.S.A. Blanco Canada Inc. will be responsible for this warranty for products sold and installed in Canada and Blanco America, Inc. will be responsible for this warranty for products sold and installed in the U.S.A.

This warranty supersedes all previous warranties for any BLANCO sink, faucet, accessory, soap dispenser, and repair part in the U.S.A and Canada.

This is BLANCO's exclusive written warranty and the warranty is not transferable without the prior written consent of Blanco, in its sole and absolute discretion.
