KEY DETAILS:

- **Availability:** Ordering for all outdoor grill models has ended, except for the OG54 model. All models listed as **Discontinued** in the table above have been deactivated, and no future orders will be accepted.
- **Inventory:** There is currently a limited inventory of 5610198-OG54 models. These will be available on a first-come, first-served basis until stock is depleted. Once depleted, they will no longer accept new orders. Please check Commerce Cloud for availability with the RDC, or work with our Customer Service department.

- **Current Open Orders:** As we approached the end of production there is an imbalance in Natural Gas versus LP models. We will be able to support all open orders, but there will be a need to convert some models.
 - Conversion Kits - Affected orders will be clearly identified and ship with appropriate gas conversion kits and regulators free of charge.
 - Cost of Conversion - On each affected order, we will include a \$300.00 credit to cover the service or installer fee to convert the product.
