Re: UPDATE

Dear Customer,

This note is to inform you about the price increase of the 5030C, Aquaplane vanity. The former list price was \$990; the new list price is \$1190.

We are also making changes to our finishes. The white finish was formerly part of Group "A" finishes; it will now be part Group "B" finishes. We have added four new finishes: Classic Beech, code 04 and Dark Walnut code 09 are part of Group "A". Bamboo code 14 and Carmel Bamboo code 17 are part of Group "B"

The flou vanities are now available in all finishes. Group "A" finishes are listed at \$2800 and Group "B" finishes are \$3300. This includes the Cherry and Walnut which are both from Group "B".

Please review the attached documents for further information.

Please do not hesitate to contact LACAVA's customer service should you have any questions or need further assistance.

Best Regards,

Customer Service
