1. This report presents lead times, at the time of publication, for those sku's that have lead times of 9 weeks or more. It also includes the lead times, at the time of publication, of other sku's that are less than 9 weeks today, but may have been 9 weeks or more earlier in the year.
2. The lead time shown here is for reference only and merely represents the static and current lead time status based on the current open orders, backorders and production schedule. Lead times can be subject to frequent change depending on the volume of additional demand in the future or other factors. Therefore, TOTO USA specifically disclaims any liability or responsibility whatsoever resulting directly or indirectly from the lead time guides.
