OPTIONAL WOODEN DRAWERS

New pricing

Please note that as of now, the wood drawers offered in option, will be priced at \$35.00 per drawer rather than 3% of the arrangement list price.

Please correct the information, under the "Optional Accessories" page in each of the 3000 Series. The correction in the New York 3000, Linea and the 3000 should be done in the page called "New Features". Amendment as follow:

\$35/drawer (list price)
