ASHLEY NORTON INTRODUCES WHITE BRONZE PATINA & MODERN SUITE

Dear Valued Customer,

We are pleased to introduce our newest bronze patina: **White Bronze**. This living finish lends itself to modern décor while retaining the age-old feel and rich look of bronze. **All products in our Solid Bronze collection may now be ordered in White Bronze.** Simply replace the 'BZ' prefix on any product with 'WL'. A 10% upcharge will apply for the White Bronze patina.

In addition, we have enclosed a brochure presenting our new **Modern Suite**. This suite features a minimalistic edge, again suiting contemporary architecture. Matching entry and multipoint trim is available. List pricing for products in the Modern Suite is on the back page of the brochure.
