| HG Traditional | yes | Showerpanels | |

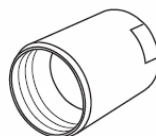

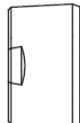

Info:

Several Hansgrohe Kitchen Faucets now come with Hansgrohe MagFit Technology!

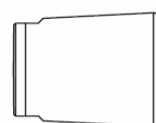

The pull-out spray hose nut has been magnetized for Hansgrohe kitchen faucets that pull down. The magnetic hose nut allows the pull-out sprayer to be held securely in the spout. Droopy, hanging pull-out sprayers are a thing of the past! MagFit equipped faucets will be marked on the faucet packaging.

MAGNETIC Nut

STANDARD Nut
