

STONE
FOREST

Greetings from Stone Forest,
Here is a sampling of our latest designs. Let us know what you think!

The image above shows our free-standing, barrel-shaped Veneto Pedestal sinks in our newest material: Amber Onyx. Tiramisu anyone?

We are also carving our Verona Vessel in this new material, available in 24" or 36" widths.

The Losa Vanity sink above is 36"W x 20"D x 5"H and fits this wooden stand in an ebony finish.

And for recent custom work, we have the double version of the Losa above...

...as well as a hanging vanity in Honed Basalt.

Our Purple Onyx Wabi Vessels are now available in darker tones. Each piece is unique in shape and size.
