DORNBRACHT IN YOUR BATHROOM OR KITCHEN?

You are a strong supporter of Dornbracht, and we appreciate your continued endorsement of our brand. This year we are introducing several new product programs, both for the bath and the kitchen: IMO, Gentle, and the Hot&Cold Water Dispensers.

For a limited time you have a special opportunity to experience any or all of these new Dornbracht products first hand in your own living environment.

Between May and September 2011, Personal Use orders will be entered at a special multiplier of .10 of the published list price. To participate, make sure you are registered for Dornbracht Professional, and simply send us a Purchase Order attached to the Personal Use Incentive form (downloadable from the NEWS section on www.dornbracht-professional.com).

Send both to: Fax 1-800-899-8527 | Email sjuncke@dornbracht.com

Thank you for your continued support, and we hope you will enjoy our products in your home.

Sincerely,
Your Dornbracht Team

Please note that we are also offering this program to Architects and Interior Designers, at a .15 multiplier, to entice them to visit your showroom. We will send out a postcard mailing to 2,000 specifiers this week. Please expect clients to come to your showroom to present the respective card to you.

To download the participation form, please log in to www.dornbracht-professional.com, and look for the Personal Use Incentive Program in the NEWS section.

Should you have any questions regarding the Personal Use Incentive Program, please contact your local representative.

Sincerely,

Sylvia Juncke
