Hi Gretchen,

the personal use applies to the new IMO, the Hot/Cold dispensers and the new Gentle. I do not have a PDF file yet for Gentle (I will beginning of June), but the images are on www.dornbracht.com, click on Product, then News Highlights, Gentle will come up on the left. Only Architects and Designers that are signed up on Dornbracht Professional can participate in this program.

The following received the program (they are already signed up on DB Professional):

Biaolosky
Blackford
Buchierie
Collin Gordon
GSI ARchitects
Hershman
HFP Ambuske
HSB Architects
R. Fleishman & Partners
Robert maschke
Sandvick Architects
Van Auken Akins
Ziska Architects

If you have others that you work with, all they need to do is sign up on Dornbracht Professional.
