

Distinctive Appliances
Distributing INC.

**N.E.OHIO - CLEVELAND
OPEN HOUSE INVITATION
Wednesday - June 15th, 12 noon – 8 PM**

Dear Valued Dealers, Designers, and Service Specialists,

We are excited to announce the progression of our distributorship with the addition of U-Line's 3000 New Modular Series, new arrivals in Zephyr Ventilation, the introduction of the LG Studio Series and the VALUE driven line of outdoor products from Grand Hall.

U-Line is proud to introduce its new EXCLUSIVE 3000 Series with improved features, distinct design & functional enhancements with food and beverage preservation that has never been seen in the retail industry until today!

Zephyr Ventilation has launched the new DCBL Suppression System, a new technology which offers the most energy efficient and quietest range hoods in the market today. DC motors and new LED lighting with Bloom Lens also have never been seen before today!

As for the LG Studio Series, the enthusiasm surrounding this new product line is both exciting and promising for the market place. One of the highest brand recognitions in the industry and TWO year full warranties make this a very viable line for our independent dealers. Many of you have wanted frontload laundry; we now have it in stock.

To mark the occasion, and launch these exciting new products for your viewing...it is our pleasure to invite you to our Open House being held on Wednesday June 15th from 12 noon to 8 pm at our Viking Store Showroom @ Legacy Village, in Lyndhurst Ohio.

As a valued guest, we hope you will join us in our celebration! Food and Beverages will be available for your comfort.

To RSVP or get directions to The Viking Store please drop us an email... or call

Warm Regards,

Mark W. James
