

Good afternoon,

This week we are due to go into production of our enhanced front load dryer. There are two main changes:

- 7 cuft capacity
- Stainless steel interior

Due to these enhancements we will be releasing these products with a \$50 price premium over the current models. Details are:

96983 / DE60FA2 supersedes to [96971 / DE70FA1 / 067732097814 / Dealer \\$400 / MSRP\\$499](#)

96979 / DG60FA2 supersedes to [96975 / DG70FA1 / 067732097821 / Dealer \\$437 / MSRP\\$549](#)

The new models should start to be available mid July. New price guides will be sent effective July 1, 2011. Flyers are being created and will be printed.
