ISSUE 149

JUNE 2011

1. OPTION DISCONTINUED : AVANTI STAINLESS STEEL CONE (A-99)

Please note that for reasons of manufacture and assembly, the Avanti cone is not available anymore.

However, the standard polymer cone is still available.

2. AVAILABILITY AND APPLICATION OF THERMO COLORS :

- a. Scarlet red H-101-L
- b. Green Apple H-102-L

These two thermo colors introduced with the Loft Series are now available:

- For all the collections of the 3000 and Loft Series that already offer the thermo group 2 colors in the price lists.
- Two applications are offered at the same price:
 1. COLOR ACCENT: The color accent is only on the doors and drawer fronts of the vanity, the bottom section of the dressing table and of the extended countertop. All the other sections such as the upper section of the vanity, the linen cabinet, the toe-kick and the lighting unit are in White high gloss thermo R49-L.
 2. COMPLETE COLOR: The color is on all the outside of the furniture as usual.

Thank you for your attention
