Subject: 3 Year Standard Warranty Expanded To Include Cast Iron Pumps

Zoeller Pump Company is pleased to announce the inclusion of fractional horsepower cast iron sump, effluent and sewage pumps to the list of products that have a 3 year warranty from date of manufacture. This is effective August 15, 2011.

The enhanced coverage will be extended to applicable models currently in service or in distributor's inventory. Warranty requests prior to August 15th are not included under the new standard 3 year warranty.

The products added to the 3 year warranty program effective August 15th are as follows:

- 49 Series
- 53/57 Series
- 98 Series
- 137 Series
- 151/152/153 Series
- 264/266/267/268 Series
- 503 Series

As a reminder, current 3 year warranty products include:

- ProPak Series 49
- ProPak Series 53
- ProPak Series 98
- Basement Sentry I *
- Basement Sentry II *
- Aquanot Series 580 *
- Aquanot Series 585 *

* These products must be purchased with a Zoeller (Aquanot) battery.

Zoeller Pump Company revised warranty program covers the purchaser for 36 month from date of manufacture. Please refer to the warranty policy on your particular product for complete details.

Your Peace of Mind is Our Top Priority.

Thank you for your business,

Mark Huntebrinker
Director of Marketing
