

MARVIN MONTGOMERY'S

SALES TIP OF THE WEEK

BROUGHT TO YOU BY ERC

For the last several years, I have been closing out my emails, voice mails and phone calls with "Make it a great day." Not 'have a great day' or 'I hope you have a great day'.

We forget that we do have that control. Obviously we can't control the events or obstacles that occur but we can control how we respond to it. We basically have two options. We can react to it and become negative and let it ruin our day or respond to it, learn from it and not let it rain on your parade.

Life is all about choices. Choose to have a great day today and encourage someone else to do the same.
